SHOCCO SPRINGS

-Youth Pastor: Kevin Anderson

Our summer expeditions have been exciting adventures! We've journeyed up to 8 hours away to explore the Ark Encounter and Creation Museum in northern Kentucky. While on our adventure, we cruised 30 minutes up north to Cincinnati for some Reds baseball action!

Once upon a summer, we braved a whole week off the Wi-fi grid in the wild Ocoee mountains of Tennessee! We had a blast soaking up truth from the Word of God and bonding with each other. And let me tell you, their backyard water park was the stuff of legends!

During the last couple of summers, we hit the beach for a full week with Breakaway ministries. It was a blast! We soaked up the sun, bonded with each other, and strengthened our relationship with Jesus.

Four years ago, we discovered an awesome spot right in our backyard - "Shocco Springs." With that, we had two summers of wild adventures, back-to-back. We crafted memories so epic, even the alumni still chat about them today.

So, for this year, we are going to revisit Shocco Springs for another, close to home adventure!

We will have a week of bonding and most importantly, deepening our spiritual journey with Jesus at Shocco Springs! We've got our schedule locked in with group chats, rocking out in worship, and diving into thrilling indoor and outdoor escapades.

Let the good times roll!

We've got some good choices for our students to have a blast in each afternoon! Shocco is like a fun paradise with its recreation spot that's buzzing all day long.

Picture this: mini golf, a cool swimming pool, basketball courts, a climbing wall, and more. And don't forget the lake with paddle boats, water slides, lake inflatables, and my personal favorite, the Blob. Get ready for some epic and safe showdowns with Bazooka ball. Spoiler alert: it's an absolute blast!

We will engage in some deep conversations about God's relentless pursuit of us and how all grateful recipients of His Amazing grace should be in relentless pursuit of God. If you are eager to admire breathtaking visuals and engaging videos showcasing the wonders of Shocco Springs, visit shocco.org or delve into the vast array of content available on YouTube for a truly captivating experience.

Here's the scoop on the price tag: \$275 per head. But hold onto your hats! If your kiddo lent a hand at our Sunday Diner shindigs last autumn, you're in luck - a discount awaits! Once you've chipped in your \$50 upfront, our youth pastor, Kevin Anderson, will sort out the rest with you. If you missed out on our fundraisers or weren't around last fall, worry not - we will do our best to get you some help! Simply locate the form called, "Discount Eligibility/What to Bring, found in this packet!
