When the battle rages and things seem hopeless - Jesus and His army show up!

He will come and place His feet on the Mount of Olives!

↙
Not coming in the air—He came to the earth to conquer. He comes and establishes His kingdom!

This is not a fair fight! His mighty army is more a display of His power than a force for His victory. Why?

How God does battle →

- (1) Buried the Egyptian army in the sea. (Exodus)
- (2) Gideon's army of 300 was sufficient -vs- 135,000 (Judges)
- (3) When Samaria was besieged by Syria, He simply makes the army hear a sound - Run. (2 Kings 7)
- (4) Hezekiah prays and God kills 185,000 Assyrians with one angel. (2 Kings 19:35)
- (5) Jehoshaphat prays and the Moabites and Ammonites destroyed one another.

* All the Son of God has to do is to speak a word and the sword of His mouth destroys the enemy!
