

From Weeping to Worship

~ Revelation 5:8-14 ~

I. “And when He had taken the book”

The cherubim and the redeemed of all the ages fell down before the Lamb.

Each one had:

A. A harp - the instrument of the prophet.

I Samuel 10:5-6 - Music and God’s Word

II Kings 3:15 - Elisha and the Minstrel

In the sounding of notes, in making of that melody, His Spirit could move!

B. Golden bowls full of incense - (Prayer of the Saints) -

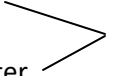

“Thy kingdom come - Thy will be done.”

Prayers of God’s people are never forgotten!

*First Song by the Redeemed * - They sang a new song! The redeemed sing TO this Lamb.

New -

“Neos” - Type
“Kine” - Character

This is a new song the world has never heard!

Song - “Psalmos or Hymnos (sacred song) Psalms of Hymns

“Ode” - A general song

Four Things in the Song:

(1) Redemption is for the glory of God

(2) Redemption is by the blood of the cross

(In heaven, we will sing about the blood of Jesus!)

(3) Redemption is for all people

(4) Redemption results in rulership over kingdoms on this earth.

II. The Second Doxology of Praise -

Joining in the praise were angels who surrounded the throne.

- A. Without number - Too many to count; “myriads of myriads, thousands of thousands.”
- B. Angels are never recorded in scripture as singing - “They say.” - Why? (Luke 2:13)

Angels speak about the Lamb. (different relationship)

Music is made of minor and major chords! Minor chords reveal the state of a fallen world. Major chords speak of a redeemed world. (Only those lost and then saved can know both.)

The Points of Praise:

Power, Riches, Wisdom, Might, Honor, and Glory and Blessing

III. The Third Doxology -

Now joining the chorus of praise is every created thing (in every realm.)

Praise of the Godhead -

The One who sits on the throne and the Lamb

Blessing, Honor, Glory

Dominion Forever and Ever

“So be it” - The Amen Corner - Cherumbim

Get ready - 24 elders fell down and worshipped!

He lifted the title deed of forfeiture to give back to us our inheritance!
